CONNECTING GLOBALLY

North Central Texas Regional General Aviation and Heliport System Plan

5th Annual

Aviation Summit

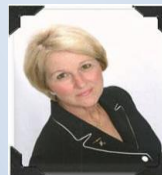

Presentations | Panel Discussion | Lunch | Book Signing

Summit Topics:

- Regional General Aviation and Heliport System Plan Recommendations
- The Economic Impact of General Aviation on Our Region
- The Evolution of Aviation Mechanics
- Book-Signing Opportunity

Confirmed Speakers:

Giacinta Bradley Koontz

Aviation historian and author, Giacinta Bradley Koontz, is a self-described

“Aviation Anthropologist.”

Ms. Koontz has made many personal appearances including the Experimental Aircraft Association's Fly-In Convention, known as EAA AirVenture Oshkosh. She has even been featured on PBS and the History Channel in early aviation documentaries. In her newest book, *Pioneer Mechanics in Aviation*, Giacinta presents over 20 fact-filled stories of aircraft mechanics before WWII.

Who Should Attend?

Elected and municipal officials, aviation professionals, chambers of commerce, economic development corporations, planning and zoning commissions, builders and realtors, college students, and the general public.

Why You Should Attend:

- Learn about regional aviation growth and opportunities
- Hear economic success stories of general aviation
- Get details on our Aviation System Plan
- Network with industry professionals
